Forms of Payment

Special Circumstances

- The Town will try to work with any customer on a payment schedule, if necessary.
- A customer must contact the Town prior to the disconnect date for agreement in order to avoid any penalty charges.
- However, if a customer does not abide by the agreement with the Town, disconnection will occur.

Disconnections

- If a bill is not paid by the fifth (5) day of the month the bill is due (**before 12:00 PM**), the Town has the right to disconnect services.
- The Town will **not** provide any late notice of past due bills.
- If a disconnection occurs the customer will be charged a \$35.00 fee for reconnection.
- If reconnection is needed more than one time in a twelve (12) month time period, the fee will be increased to \$70.00.

A continuous leak from a hole this size does waste this amount of water per bill and cost you approximately per bill. (Residential inside town limits)

- 1/4" hole = 787,667 gal = \$1,000.00
- 3/16" hole = 444,000 gal = \$550.00
- 1/8" hole = 197,333 gal = \$250.00
- 1/16" hole = 49,333 gal = \$70.00
