

SUBDIVISION PLAT CHECKLIST

Town of Wilkesboro SUBDIVISION PLAT CHECKLIST

Name of Subdivision:		Date:
Name of Subdivider:		Contact Phone No:
Name of Preparer:		

Item #	Item Description	When Required F=Final, S=Sketch P=Preliminary	Preparers check here if complete	Office use only
<u>TITLE BLOCK INFORMATION</u>				
1	Title Block is shown containing:			
	A. Name of development	P,F		
	B. Name of map or plan (preliminary plan or final plat)	P,F		
	C. Owner's name with address and daytime phone number	P,F		
	D. Location, including address, city, township, county, & state	P,F		
	E. Date(s) map(s) prepared or revised	P,F		
	F. Scale of drawing in feet per inch	P,F		
	G. Name, address, and telephone number of preparer of map	P,F		
	H. Developer's name, address and daytime phone number (if different from owner's)	P,F		
<u>ZONING AND LAND USES</u>				
2	Zoning district(s) within the property and adjacent properties are shown	P		
3	Existing land uses within the property and adjacent properties are noted	P		
4	Dimensions, location, and use of all existing buildings; distances between buildings measured at the closest point; distance from buildings to closest property lines	P,F		
<u>STREETS</u>				
5	Street data is shown illustrating:			
	A. Existing and proposed rights-of-way within and adjacent to property are shown	P,F		
	1. Total right-of-way width dimensions are shown	P,F		
	2. Right-of-way width dimension from centerline of existing public streets are shown	P,F		
	3. Cul-de-sac right-of-way radius from centerpoint are shown	P		
	B. Pavement or curb lines are shown	P		
	C. Pavement width dimensions are shown	P		
	D. Cul-de-sac pavement radius from centerpoint are shown	P		
6	All existing streets and proposed streets are named and approved by E-911	F		
<u>MAP INFORMATION AND DESCRIPTION</u>				
7	Bar Graph Scale is shown	P,F		
8	(Deed or Record) Book or Plat (Book or Cabinet) references to subject property	P,F		
9	Names of adjoining property owners [or subdivisions or developments with Plat (Book or Cabinet) and/or (Deed or Record) Book reference] are shown	P,F		
10	Tax block and parcel(s) number(s) are shown	P,F		

Item #	Item Description	When Required F=Final, S=Sketch P=Preliminary	Preparers check here if complete	Office use only
11	A vicinity map is shown	P,F		
12	All jurisdiction lines which adjoin or cross the tract are shown	P,F		
13	North arrow and orientation (oriented towards top of map where practicable)	P,F		
14	Boundaries of the tract to be subdivided are shown as follows:			
	A. At least one corner is tied to: (1) N.C. Grid and provide grid coordinates where at least one of two control monuments needed are within 2000' of the boundary and show the grid factor or (2) tie to the nearest street intersection	F		
	B. All locations of intersecting boundary lines of adjoining properties are shown	P,F		
	C. Distinctly and accurately represent and show all distances; show bearings and distances on final; show bearings and distances and curve data on outside boundaries and street centerlines on preliminary with street centerline tied to boundary	P,F		
15	Location and descriptions of all monuments, markers, and control corners is shown on plat	F		
16	Existing "old" property lines on tract to be subdivided are shown as dashed lines and are labeled as "old property lines"	P,F		
17	Existing and proposed topography of tract and 100 feet beyond property showing existing contour intervals of no greater than 5 feet (2 feet where available) and labeling at least two contours per map and all others at 10 foot intervals from sea level	P		
<u>ENVIRONMENTAL AND NATURAL FEATURES</u>				
18	Existing and proposed topography of tract	P		
19	Marshes, swamps, and other wetlands are shown	P,F		
20	Water courses, ponds, lakes, and streams are shown	P,F		
21	Undisturbed, vegetative buffers along perennial streams are shown; Environmental conservation easements are shown	P,F		
23	Areas to be dedicated or reserved for public use are shown	P,F		
24	The name and location of any property or building on the National Register of Historic Places or locally designated historic property is shown	P,F		
25	Areas designated as a common area or open space under control of a Developer's or Homeowner's Association are shown (where applicable)	P,F		
<u>FLOOD IMPACT AREAS</u>				
26	The location of floodway and floodway fringe areas (where applicable) are shown referenced from FEMA Flood Hazard Boundary Maps and/or approved Engineering Flood studies	P,F		
<u>SITE DATA</u>				
27	Site calculations are shown including:			
	A. Acreage in total tract	P,F		
	B. Acreage in public greenways and other open space (where applicable)	P,F		
	C. Total number of lots proposed	P,F		
	D. Linear feet in streets	P,F		
	E. Area in newly dedicated right-of-way	P,F		
	F. General location of the boundaries of any residual lot (> 10 acres)	P		
28	Proposed lot lines and dimensions, with bearing and distances shown	P,F		
29	Area in square footage of all proposed lots under one (1) acre in size; area in acres is shown for all lots one acre or more in size; smallest lot is indicated	P,F		
30	Lots shown are sequenced or numbered consecutively	P,F		
<u>EASEMENT AND UTILITIES</u>				
31	Location, dimension, and type of all easements (existing and proposed) are shown	P,F		
32	Public Storm Drainage Easements are shown centered over the creeks, ditches, and/or structures. Ties to property lines are not required.	P,F		
33	Plat contains a utility layout plan for water, sewer, storm sewer, natural gas, electric, and cable TV (where applicable)	P		
34	Note that if a septic system is proposed that lots have perked for a septic tank	P		

Item #	Item Description	When Required F=Final, S=Sketch P=Preliminary	Preparers check here if complete	Office use only
<u>NOTES AND STATEMENTS</u>				
35	Plat contains <i>NCDOT Construction Standards Certification</i> (where applicable)	P,F		
36	Plat contains an <i>On-Site Water and/or Sewer Note</i> (where applicable)	P,F		
37	Plat contains a <i>Special Flood Hazard Area Note</i>	P,F		
38	Plat contains a <i>Notary Certificate of Owners Signature</i>	F		
39	Plat contains a <i>Certificate of Ownership and Dedication</i>	F		
40	Plat contains a <i>Subdivision Administrator Approval Certificate</i>	F		
41	Plat contains a <i>Certification of Survey and Accuracy</i>	F		
42	Plat contains a <i>Wilkes County Review Officer's Statement</i>	F		
43	Plat contains <i>Storm Drainage Note</i> (where applicable)	P,F
